Wolverines Lose Tough Game To Winnemucca Here

Carson Senators Will Be In Truckee For Game On Saturday

An inspired and aggressive Tahoe Truckee Wolverine football team almost pulled off the big upset that every underdog shoots for last Saturday as they out played the visiting Winnemucca Buckaroos but could not outscore them, losing in the second half by a final score of 13 to 6. It was a bitter defeat for the Wolverines, who lost to the Bucks by a 52 to 19 count last season, in that they led the Humboldt County squad by six points at the intermission, only to have a few costly penalties and miscues thwart their scoring efforts in the third and fourth periods.

The first period of the game was scoreless, with Tahoe Truckee losing their first opportunity by reason of a clipping penalty during Dean Holbrook's sparkling 34-yard romp to the Winnemucca five-yard stripe. But in the second period of play, Coach Stan Drakulich's charges really came to life, and with Floyd Cooper carrying to the five off the option play, Dean Herzog cracked the center for two more yards before Cooper, who played an outstanding game in all departments, sneaked over for the touchdown to put the Wolverines in front, 6-0. Frank Giovannoni's placement was wide, and the half time score read 6 to 0. Tahoe Truckee.

The Buckaroos were not to be denied, however, and in the third period they were able to almost completely dominate the ball and push over two touchdowns plus one point-after-touchdown to go into a fourth quarter lead of 13 to 6. The fourth and final period was played on equal terms, with neither club able to penetrate the scoring area.

Final statistics showed Dean Holbrook, Wolverine halfback, to be the leading ball carrier with 94 yards gained in eight carries. Ken Osburn carried the ball 11 times for 88 yards and Dean Heroz picked up 26 yards in nine attempts, while playing his first game at the fullback spot.

Coaches Brakulich and Dan Holub singled out Tom Sheehan and Captain Bob Trask for their fine defensive play, along with the offensive running of Holbrook, Cooper and Herzog.

Saturday, October 6, the Tahoe Truckee Wolverines host the leading contenders for the State "A" Division crown, the Carson City Senators. The Nevada champions of last year are once again rated the cream of the crop, following their well-earned 14 to 7 victory over the pre-season favored Manogue Miners. Kick-off time is hte usual 2 p.m., and another large hometown crowd is expected for the Wolverines' third straight confrence game.

Results of games played by Wolverine opponents last weekend.

South Tahoe 27, Stewart 6.
Herlong 45, Loyalton 26.
Carson City 14, Manogue 7.
Douglas 14, Lovelock 12.

Billy Cardinal Injured In Bicycle Mishap Here

Hitting a rock while riding his bicycle last week, Billy Cardinal, six-year-old son of Mr. and Mrs. Heslin Cardinal is learning to use crutches for his left leg, broken in the accident.

Billy was thrown by the rock against a parked automobile, the impact causing severe injury to the small boy.

Kentucky Visitors—

Mr. and Mrs. Ed Meiss have as their guests, her parents, Mr. and Mrs. J. Finger of Kentucky, who are enroute to Mexico.

In Capital—

Mr. and Mrs. Anton Mahne are leaving this week for Sacramento, following several weeks here.

NEWS NOTES FROM TAHOE

By Naomi McLane
P. O. Box 195, Tahoma
Fall At Tahoe

In most parts of the world (and here too) spring is a time of new beginnings. But here at Tahoe because of the nature of our busy summer season, we also begin things anew in the fall. This is just one more item to prove (to us who need no proof) that to live at Tahoe is doubly wonderful!

Among new things this fall are a new light green Plymouth for Bob Snyder of Lake Forest and a new blue-and-white Mercury station wagon for the Bob Pomins of Tahoe City. New cars, like babies, are a matter for congratulations all around, so hurrah for everybody.

Shower Held

A shower for Mrs. C. F. Berlenbach, Jr., was held at Pfeifer House to celebrate a newcomer-to-be. Mrs. Enrico Giannini and Mrs. Searge Meade greeted the guests

(Continued on Page 8)

Fire Prevention To Be Stressed Here During Next Week

The week of October 7-13 will be Fire Prevention Week and N. F. Dolley, chief of the Truckee Volunteer Department and deputy state fire marshal is asking that the week be used to advantage by tthe elimination of all fire hazards in the district.

Dolley said that the district is ending one of the cleanest years in so far as fires are concerned that it has ever enjoyed.

"We can keep that record by making fire prevention a watchword," Dolley declared. "It is up to the individual home and business owner to see to it that there are no inflammable materials exposed to cause fire and to check electrical equipment, wiring and chimneys to be sure that all is safe and in readiness for winter."

During Fire Prevention Week, Dolley pointed out, anyone desiring an inspection of their home or business to check fire hazards can call the department. He suggested that an electrician be engaged to check any doubtful electrical wiring or appliance.

Information recently developed at Governor Knight's fire prevention conference indicates that fire prevention program carried on by local departments have been effective in reducing the loss of life and property.

Daughter Of Truckee Woman Is Married At Ceremony In Bay Area

Wedding rites in the Star of the Sea Church at San Francisco were held at 2 o'clock on Sunday, September 16, uniting Miss Frances Davis and Robert Hugh Bell.

The bride chose her gown of traditional white satin, with lace, completed witha fingertip veil and chapel train, she carried a bouquet of white orchids, carnations, lillies of the valley.

Frank Quilici who arrived for the ceremony by airplane, gave the bride in marriage.

Miss Vivian Luchini of Stockton was the maid-of-honor and the bride's maids were the Misses LaVerne Peralta of Oakland, Paula Smith, Irene Bell of San Francisco. Gold and green taffeta was selected for the attendants' gowns, the ensembles completed with matching headbands and harmonizing bouquets of roses.

Tom Barker was the best man for the benedict, ushers were Harold Fuentes, Jack Faiz, Lee Hansen, all of San Francisco.

A reception was held in the House of Lawton, immediately following the formal service and Mr. and Mrs. Bell left for Southern California. They will establish their home in the city.

Mrs. Bell, daughter of Mr. and Mrs. Frank Quilici of Truckee is a graduate of the high school at Cloverdale and the French Hospital School of Nursing.

The bridegroom, son of Mr. and Mrs. Hugh Bell of San Francisco, attended San Francisco State College.

Monte Straub Is Feted At Birthday Party Here

Monte Straub who was eight years old on September 28 was given a Donner Theater party Friday by his parents, Mr. and Mrs. Joe Straub.

The young friends of the honoree were served refreshments before attending th show.

LOST DOG OBJECT OF INTENSIVE HUNT

Mr. and Mrs. Ludwig Burket of San Francisco are making an all-out intensive search for their old beagle hound, believed lost somewhere in the vicinity of Hobart Mills. The 14-year-old pet, deaf and quite helpless was lost while the family was on a hunting trip.

Although of no particular value, the beagle is prized as a pet by its owners and they are most anxious that he be given proper care until they can arrive and take him home.

The beagle is one of many dogs which get lost each hunting season in this area. Many are purposely left after the hunt and cold winters make their lives miserable.

Anyone knowning the whereabouts of the beagle should read a classified ad in this paper and notify the owners immediately.

Women's Club To Work For Bridge At Emerald Bay

Resolution Adopted During Convention Will Ask For Span

Eighty-five delegates to the bimonthly meeting of the Sutter district of the California Federation of Women's Clubs have given a majority vote in favor of a resolution approving a highway bridge across the mouth of Emerald Bay at Lake Tahoe.

Approval of the resolution by a voice vote came during the business session of the district meeting in the Shakespeare Clubhouse at Placerville.

The district embraces 33 women's clubs in Colusa, Glenn, Sutter, Sacramento, Yuba, Placer, El Dorado and Nevada counties.

In the meantime the new deadline set for opening the slide-destroyed highway above Emerald Bay, the closing of which costs thousands of dollars to business people at Lake Tahoe this summer and inconvenienced hundreds of thousands of motorists, has come and gone and the span is still blocked.

State highway officials say the lateral can probably be opened later this month, but it is doubtful if it can be safely used at all this year.

While many organizations, individuals and others continue to demand a span over the mouth of the bay, the state division of beaches and parks, through its director, Newton B. Drury, continues to wage a fight against such a proposal on grounds that the great natural beauty of the area would be spoiled.

Those fmiliar with the situation contend that only with a bridge can the hazardous condition be corrected. Suggestions of snow sheds, tunnels and other far-fetched ideas have well earned the laughs caused. A sensible solution must be reached if the great Lake Tahoe recreational area is to continue to attract visitors.

Two Women Leaving On Trip To Hawaii Soon

Friends of Mrs. Elizabeth Bavier, postmaster of Truckee and Mrs. Edythe Deaton, now of Reno have been wishing them bon voyage as they will leave tomorrow on the first part of their airplane trip to the Hawaiian Islands.

The local women will have an interesting and extensive tour of the Islands and will visit Hester Parsons who is presently taking a course at the university there. They will also meet Mr. and Mrs. Warren Davidson of Livermore who will attend a drugists' convention in the vacation place.

Mrs. Deaton, due to the time element, plans to return home by airplane, Mrs. Bavier following by freighter which will dock at Los Angeles, arriving from the south city by airplane later in the month.

Faculty Feted During Meeting Of High PTA

The first regular meeting for the school year of the Tahoe-Truckee Unified High School PTA held on Thursday, September 20, was well attended by over 90 interested people in the district. President Russell York presided over the business meeting and reception for the high school faculty.

The group adopted the purchase of band uniforms for the up and coming high school band as one of the year's projects. A lively open-floor discussion was held on the recreation situation in the school district.

An executive board meeting will be held tonight at 8 p.m. at the high school.

The regular meeting night of the association has been changed to the second Thursday of the month and the next meeting will be held on October 11th at 8 p.m. in the high school.

Club To Meet

The Great Books Discussion Group will convene at 8 p.m. Wednesday, October 10 in the Tahoe Truckee High School office.

Mrs. Frank Snyder and Robert Krohn will lead in the talk on "Wealth of Nations," by Adam Smith, announced Roy Baker, librarian.

SUNBEAMS

By WALTER M. BARRETT

The Boy Scouts of America Fund drive will gather momentum next Wednesday morning at Smart's when a free breakfast will be served to a group of men who generously give of their time to help the young boys of the Truckee and Donner Summit area enjoy another year of unforgettable experience in the Boy and Cub Scout organizations. The type of learning which takes place as a Scout, gives the boy an understanding and appreciation of the fact that he lives in a country where he has an equal chance with others to develop all the potential that is in him. It is wonderful opportunity for the boys, and the men involved in the drive will do all they can to guarantee that this opportunity will continue to exist and broaden. When a worker calls at your door, remember that you are investing in the future of America and the furtherance of its liberty. This is a community project so let's all get behind it 100% and show these boys that we are really interested in their welfare and their activities.

For all workers involved in this drive, please jot down these facts:

Place—Smart's.
Time—7 a.m.
Date—October 10, 1956.
Purpose—To help boys.
Follow up meeting—high school —9 p.m., October 10.

Pastime Club Has New Management

Mr. and Mrs. Wesley Karasson of Palo Alto have arrived here to make their home and take over the management of the Pastime Club, which has been sold by Mrs. Cleo Klein.

In order for the new owners to tunity for Mrs. Klein as an opportunity for Mrs. Klein to express her appreciation for past patronage, a party has been arranged to be held at the Pastime Friday evening, October 12 between 8 and 10 p.m. Everyone is invited.

Karasson has been operating clubs at Menlo Park and Redwood City and both he and Mrs. Karasson are pleased with this community and its prospects.

Mrs. Klein and her late husband, Surb, have operated the Pastime for the past eight years and since the death of the latter Mrs. Klein has conducted the business. She will continue to reside here, where she has many friends.

Insurance Man Speaks At Tahoe Rotary Meet

KINGS BEACH — The regular meeting of the Rotary Club of Brockway was held in the Crystal Bay Club on Monday night, with Pappy Brooks presiding. Visiting Rotarians were present from Catalina-Tucson and Tahoe City. Being the first of the month the "Little Genius" hat was awarded to Bud Mandeville.

Program Chairman Leon Barker introduced Edgar H. Lion of the Fireman's Fund Insurance Co. of Sacramento and a member of Western Insurance Information Service as the speaker of the evening. Mr. Lion took as his topic "Let's Face Facts," pointing out what we can do to eliminate automobile deaths and accidents.

Elementary PTA Group Will Meet On Monday

A regular meeting of the Truckee Elementary School Association of Parent and Teacher will be held in the building at 8 p.m., October 8, according to Mrs. Edward Frates.

All members and other interested persons are invited to attend the meeting.

Party For Parents—

Mr. and Mrs. Harold Langille attended the wedding anniversary party last week at Berkeley for his parents, Mr. and Mrs. J. C. Langille.

State Seeks Bids On First Leg Of Four Lanes In Area

Bids Will Be Opened Late This Month On Road At Floriston

Bids for the construction of 5.4 miles of four lanes on U. S. Highway 40 between the Nevada state line and Floriston will be opened at Sacramento at 2 p.m., October 31, according to an announcement made by the division of highways.

The project is estimated to cost in the vicinity of $3,500,000.

This should end local speculation which has been rampant since the survey was completed and the project authorized several months ago.

The new stretch of highway is being designed to connect with the four lanes in Nevada and next year it is expected that work will be started from the Floriston end of the new four lanes to Donner Lake, west of Truckee.

The project is proposed to be done in whole or in part with federal funds.

The work will be done with cement concrete on a cement treated sub-grade. A reinforced concrete slab bridge is also in the plans.

BESIO WINNER IN TAHOE GOLF MEET

Angelo Besio for the men and Jean Henry for the women were champions in the Tahoe City Golf Club championships for which trophies were awarded Sunday by Carl Bechdolt, Jr.

Besio defeated Bechdolt for the top position and Mrs. Henry outpointed the runnerup, Mrs. Sophia Baker.

Other awards presented Sunday went to the following: Men's first flight: M. O. Johnson, winner; Jack Neugebauer, runner-up.

Men's second flight: Lee Baker, winner; Russ York, runnreup.

Men's third flight: Marshall Ruhkala, winner; Father Leo McAllister, runnerup.

Women's first flight: Joe Grimstead, winner; Pat Fox, runnerup.

Women's second flight: Alberta Nelson, winner; Dorothy Leamon, runnerup.

There were more than 100 entered in the contests conducted at the Tahoe Golf Course.

NATIONAL OFFICER TO VISIT AT TAHOE

CRYSTAL BAY—Mrs. Pat H. (Beth) Kveton of Dallas, Texas, national president of the Ladies Auxiliary of the Veterans of Foreign Wars, will be feted at a luncheon to be given by members of the Lake Tahoe Auxiliary at Crystal Bay Club Wednesday, October 10.

Reservations must be made with Mrs. Pearl Moore, the president, by calling Liberty 6-3541. Members as well as potential members are invited.

Mrs. Pedley Will Attend Safety Meet In Capitol

Mrs. Fred Pedley will attend the Governor's traffic safety conference in Sacramento October 3, 4, and 5, representing the California State Federation of Women's Clubs as their state chairman of safety.

September 27 at the Sutter District meeting in Placerville Mrs. Pedley introduced a resolution in support of the Emerald Bay Bridge which was unamiously accepted by the District with notification sent to Governor Knight, all legislators, parks and beach commission members.

Mrs. Pedley will carry the resolution to the State Federation Board meeting in Fresno October 30 and November 1.

Improved After Operation—

Elden Tonini is reported improved after an operation at Tahoe Forest Hospital last week. Tonini was injured in attempting to move an automobile.

Ryans To Palm Springs—

Mr. and Mrs. Don Ryan left Monday for Palm Springs where they will spend the winter months.

Osts In South—

Mr. and Mrs. William Ost are spending the winter months at South Gate, planning to return to Donner Lake in the spring.

Leave For Roseville—

Mr. and Mrs. Valerio Arraiz have left Squaw Valley to stay at their Roseville ranch.

New Manager For Phone Company Takes Over Duties

George Selkirk, former assistant manager of the Sacramento office of the Pacific Telephone Company, has arrived here to replace Charles Berlenbach as the Truckee-Tahoe district manager.

Berlenbach, who has been here for the past two years, is returning to Sacramento in the capacity of manager, a promotion by the company. Mrs. Berlenbach, however, plans to remain at their home at Tahoe for the time being, her husband returning weekends.

The new manager has been with the telephone company for the past 10 years and for the past four years has been at Sacramento, where he has been active in dial changeover work. This is a paramount project in the Truckee-Thaoe area at the present time as the entire area is expected to have dial telephones by early next year.

Selkirk is married and has two boys, one seven years and the other eight months of age. They will remain in Sacramento until they sell their home there and find a place to live at Tahoe City where the business office is located.

Berlenbach will remain until next week to acquaint Selkirk with local conditions. The new manager, who arrived Monday was accompanied by the district manager, Charles Munger of Sacramento.

DICK BUEK INJURED BY FALL FROM POLE

Dick Buek of Soda Springs, employed by a construction company near Donner Lake, fell from the top of a 40-feet telephone pole Friday morning but was not seriously injured. He was taken to the Tahoe Forest Hospital by Truckee Ambulance and was treated for back injuries and released Monday.

Drive For PTA Members Will Be Started Locally

Mrs. William Waters, membership chairman for the Truckee Elementary School P.T.A., announced that the drive for renewal and new members will begin October 8 through October 12.

Envelopes will be sent to the homes with the pupils in conjunction with the campaign. The class with the record of the greatest number of members will receive an award and party for their achievement.

Visitors Surprise Local Lodge During Meeting

The September 26 meeting of Naomi Rebekah Lodge No. 2 was surprised by the good will visit by 60 members of the lodge in District 21, comprising Dutch Flat, Colfax, Grass Valley and Nevada City.

Laura Horman presided at the festive affair. The refreshment hostesses Mesdames Wayne Philippi, Arthur Mori were assisted by the out-of-town members bringing added refreshments for the occasion.

The local lodge was also entertained with a program brought by the nieghboring members.

Nevada City Lodge members will also attend the October 10 meeting of the local organization, bringing a goodfellowship evening for the Rebekah President Altnardarf's project.

Colfax Dealer Will Show New Ford Cars Friday

Ford's 1957 line, introducing 19 entirely new body styles in five series, and featuring three different body sizes on two redesigned chasis lengths, will go on display at Charles Prince Ford Sales in Colfax Friday and Saturday, October 5 and 6.

TAHOE CITY—With 426 cubic second feet of water leaving the gates at Tahoe City, the level of Lake Tahoe Monday was 6228.26 feet, Art Frodenberg, cooperative observer, said. Temperatures have varied from a cool 35 to 68 during the week. Light precipitation was recorded this week.

Farinas Leave—

Mr. and Mrs. Frank Farina left for Emeryville, returning to the Gateway Motel in the springtime.

12 Are Injured In Highway Mishaps During Past Week

Two Critically Hurt When Cars Collide Near Truckee

At least a dozen people were injured, two of them critically, in a series of automobile accidents in this area during the past week.

Most seriously hurt was Donald E. Hoard, 28, Salinas, whose vehicle was involved in a freak mishap one mile east of here Sunday at 7 p.m.

Hoard, accompanied by his wife and eight-month old baby were going east but decided to return to Truckee for the night. He attempted to make a U turn and when his car was across the highway the motor stalled.

A second car, driven by Fred Orville Thompson, 46, Reno, also going east approached and the driver did not see the stalled car until too late to avoid a crash. As the Thompson car neared, Hoard leaped from his vehicle right into the path of the approaching machine, was struck and hurled 60 feet through the air.

The Thompson car clipped the Hoard vehicle, careened out of control and both Thompson and M. B. Kidwell, Reno, were thrown out and seriously injured. They were taken to the Tahoe Forest Hospital by Truckee ambulance. Mrs. Hoard and the baby were uninjured. State Patrolman William Gautsche made the investigation and pronounced it one of the most freakish accidents he has witnessed in his many years of service.

Soldier Hurt

Also critically injured Sunday at p.m. was Stanley F. Nelson, 23, Mather Air Force soldier, who suffered a ruptured spleen when a car driven by Lt. John C. Dunklee, 23, Mather Air Force Base, was forced off the highway and wrecked near Rainbow Tavern. Following treatment here, Nelson and Dunklee were taken to the veterans hospital at Reno. Patrolman Carroll Maynard made the investigation.

Driver Arrested

Harry F. Pruett, 39, Reno, was held in jail on a charge of driving while his license was suspended for a drunk driving charge, after his car collided in the rear of one operated by Anthony J. Benotof, 35, Sacramento, near Hischdale at 10:30 p.m. Saturday. Hurt in the accident were both drivers, Arthur Ordrey, Sacramento, and Jack Hodges of Reno.

Benotof told Patrolman Maynard he slowed to avoid striking a deer and the Pruett car struck him. All were taken to the hospital by Truckee ambulance.

Two Hurt

Levada Young and Rosie Walter, both of Oakland, were hurt when cars driven by LeRov Walter and Clemmie Baker, San Francisco, collided five miles west of Truckee Saturday at 8:45 p.m. Baker was cited for speeding and driving too close behind another car by Patrolman Maynard.

Local Boy Hurt

Thomas Arthur Schopper, 18, employed at the Standard Station here but a resident of Reno, suffered only minor injuries when his car was forced off the highway near Hirschdale. He told Patrolman Maynard that as he topped a crest on a hill he was met by two cars running side by side and rather than collide headon, swerved into the brush and rocks.

Out Of Control

Orlando Chrismore Flowers, 64, Del Paso Heights, escaped serious injuries Monday afternoon when he lost control of his car on Donner grade and the vehicle was damaged. Maynard made the investigation.

Department President Is Lake Auxiliary Visitor

CRYSTAL BAY—Virginia Gionatti, department president from Reno made her official visit to the Ladies Auxiliary of Veterans of Foreign Wars Post No. 7077 at Lake Tahoe last Friday. A meeting was held at Crystal Bay Club.

Among the three honored guests were Grace Zimdars, chief of staff; Ida Henderson, Silver State Auxiliary: Jeon Shipley, membership chairman and Mary Dunklee, hospital chairman.

Special invited guests were all new members of the auxiliary. The evening was spent in explaining the 1956-57 projects and a review was given by Mrs. Gionatti of all the activities of the organization and how each member has taken part in the community activities as well as national work.

The next meeting will be held October 24. Mrs. Pearl Moore is the president of the group.

Wyethia Meet

The next meeting of the Wyethia Women's Club will be on Thursday, October 4, 8 p.m., at the clubhouse.

All members are urged to be present as nomination of officers, for the coming club year, will be held.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO (CNS)—From all indications, passage of Proposition No. 5 on the November 6 ballot, will not make a great deal of difference in the liquor enforcement problems of the state.

According to Russell S. Munro, state liquor administrator, many people do not realize that while the proposition permits the operation of liquor establishment for on sale purposes without the present requirement that food be available at all hours, the new proposition will not increase the total licenses in the state of California.

As the law now reads, one license may be issued for every thousand population. In the on-sale establishments, there is the requirement that food be served.

In the event the people pass Proposition No. 5, the number of licenses the state may issue remains exactly the same, provides for two types of licenses, restaurant and establishment where nothing but liquor and possibly snacks are served, and prohibits minors from entering the premises of the new type of establishment.

As a result, Munro says he does not believe the situation will be much changed from what it is at the present time, with the exception that liquor establishments which do not now serve food in violation of the Alcoholic Beverage Control Act, will merely apply for the new type of license.

In many communities of California, for instance the smaller towns, there usually are several liquor establishments, and only one, or perhaps no restaurants. In cases like this, it would appear illogical to require food service when nobody wants a meal. Similarly, in larger communities, there are demands for many more bars than there are restaurants.

The proposition was not submitted by the liquor industry. In fact, it is being opposed by some restaurant associations, which see a lucrative bar business divided up with some liquor establishments if the measure passes.

However, there appears to be little reason why the eating houses should have a monopoly on selling drinks over the bar.

In arguments against the proposition, the fear is expressed that the "old-time saloon" will return to California if the measure passes. While it is true that the establishments will be for the purpose of dispensing liquor only, they exist on the other hand today, and unless the law is changed to permit issuance of more licenses, there will be no more liquor establishments in existence than there are today.

If the measures does not pass, the state is due for one of the most drastic clean-ups seen since the people voted liquor administration out of the board of equalization.

Munro realizes that many establishments are not complying with the food requirements of the law, and he has made little attempt to enforce the provisions of the law pending the mandate of the people on what they want done with regard to food in restaurants. This was the expressed policy of the administration when it took over alcoholic beverage control.

The liquor administrator is ready immediately after November 6, to enforce strict compliance with the law if the measure fails. This means that the restaurant serving liquor must be ready at any time liquor is sold, to comply with the law and serve a meal at the same time. It is estimated a large percentage does not now comply.

NO CHANGE FOR S. P. IN NEW TIME SETUP

Sleep-loving citizens will gain an extra hour's rest Sunday (September 30) when Daylight Saving Time comes to an end—but not so with Southern Pacific.

The readjustment for most people consists simply of setting their clocks an hour back and lounging in bed for that extra 60 minutes.

Railroad officials—on the other hand—have no such cheerful prospect. Already, they have lost more than an hour's sleep adjusting timetables to fit into connection schedules and changes in frequency of San Francisco Bay ferryboat service.

Schedules of trains operating within the state generally will be set back one hour to conform with the changeover in public time. Those for trains operating over state lines—although schedules remain on Standard Time—are being changed slightly to give best possible connections with other interstate and intrastate trains.

NOTICE TO VOTERS

NOTICE IS HEREBY GIVEN to the electors of the State of California that the following Bond Act will be submitted to the People of the State of California for their ratification at the next general election to be held on the sixth day of November, A.D., 1956.

FRANK M. JORDAN,
Secretary of State

FOR THE VETERANS BOND ACT OF 1956
This act provides for a bond issue of five hundred million dollars ($500,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes.

1

AGAINST THE VETERANS BOND ACT OF 1956
This act provides for a bond issue of five hundred million dollars ($500,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes.

This proposed law, by act of the Legislature passed at the 1956 First Extraordinary Session, is submitted to the people in accordance with the provisions of Article XVI of the Constitution.

(This proposed law does not expressly amend any existing law; therefore, the provisions thereof are printed in BLACK-FACED TYPE to indicate that they are NEW.)

PROPOSED LAW

An act to add Article 5f to Chapter 6 of Division 4 of the Military and Veterans Code, authorizing the creation of a debt or debts, liability or liabilities, through the issuance and sale of state bonds, to create a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans' Farm and Home Purchase Act of 1943 and acts amendatory and supplemental thereto; defining the powers and duties of said committee and of the Department of Veterans Affairs and other state officers in respect to the administration of the provisions hereof; providing ways and means, exclusive of loans, for the payment of the interest of such debt or debts, liability or liabilities, as such interest falls due, and also for the payment and discharge of the principal of such debt or debts, liability or liabilities, as such principal matures; and providing for the submission of this act to a vote of the people at the general election to be held in the month of November, 1956.

The people of the State of California do enact as follows:

Section 1. Article 5f is added to Chapter 6 of Division 4 of the Military and Veterans Code, to read:

Article 5f. Veterans Bond Act of 1956

996.45. This article may be cited as the Veterans Bond Act of 1956.

996.46. For the purpose of creating a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans' Farm and Home Purchase Act of 1943 and of all acts amendatory thereof and supplemental thereto, the Veterans' Finance Committee of 1943, created by Section 991, shall be and it hereby is authorized and empowered to create a debt or debts, liability or liabilities, of the State of California, in the manner and to the extent hereinafter provided, but not otherwise, nor in excess thereof.

996.47. After adoption of any resolution by the Veterans' Finance Committee of 1943, provided for in Section 996.54 the State Treasurer shall arrange for the preparation of the requisite number of suitable bonds in accordance with the specifications contained in such resolution. The aggregate par value of all bonds issued under this article shall not exceed the sum of five hundred million dollars ($500,000,000) and shall bear interest at a rate not exceeding 5 percent per annum payable as provided in such resolution. Both principal and interest shall be payable in lawful money of the United States, at the Office of the State Treasurer, or at the office of any duly authorized agent of the State Treasurer.

All bonds issued under this article shall bear the facsimile signature of the Governor and the facsimile countersignature of the Controller and shall be endorsed by the State Treasurer either by original signature or by a signature stamp, and the bonds shall be signed, countersigned, and endorsed by the officers who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943, and each of said bonds shall bear an impress of the Great Seal of the State of California. Interest coupons attached to each bond shall bear the facsimile signature of the State Treasurer who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943. The Veterans' Finance Committee of 1943 may require that said bonds be authenticated by the State Controller or by any Deputy State Controller, and in such event no bond authorized hereunder shall be valid unless so authenticated in the manner so required. The bonds or coupons so signed, countersigned, endorsed, and sealed, when sold, shall be and constitute a valid and binding general obligation upon the State of California, although the sale or delivery thereof be made at a date or dates upon which the officers having signed, countersigned, and endorsed said bonds or coupons, or any or either of said officers, shall have ceased to be the incumbents of the offices held by them at the date of adoption of the resolution of the Veterans' Finance Committee of 1943. Each bond issue under this article shall contain a clause or clauses referring to this article and to the resolution of the Veterans' Finance Committee of 1943 hereunder by virtue of which said bond is issued, and if subject to call or redemption prior to maturity, shall contain a recital to that effect.

996.48. The State Treasurer shall, on the respective dates of maturity or prior redemption of said bonds, or as soon thereafter as said bonds are surrendered to him, pay the same out of the proceeds of the Controller's warrants drawn in his favor as provided in Section 996.49 and perforate the bonds so paid with a suitable device in a manner to indicate such payment and the date thereof. The State Treasurer, or his duly authorized agent, shall also, on the respective dates of maturity, cancel all bonds and appurtenant coupons bearing said dates of maturity and remaining unsold, by perforation with a suitable device in a manner to indicate such cancellation and the date thereof; provided, however, new bonds may be prepared and executed in lieu of bonds canceled solely by reason of the fact that such bonds have not been sold prior to their fixed maturity dates, whenever the Veterans' Finance Committee of 1943 shall determine such new bonds shall be prepared and executed, subject to the condition the total indebtedness created hereunder shall not exceed the maximum limit herein specified. Not less than four years after the final maturity date of a particular issue of bonds, the State Treasurer, or his duly authorized agent, may destroy or cremate any bonds of such issue which have been previously paid or canceled as hereinbefore provided.

996.49. All bonds herein authorized, which shall have been duly sold and delivered as herein provided, shall constitute valid and legally binding general obligations of the State of California, and the full faith and credit of the State of California is hereby pledged for the punctual payment of both principal and interest thereof. There is hereby appropriated from the General Fund in the State Treasury such sum annually as will be necessary to pay the principal of and the interest on the bonds issued and sold pursuant to the provisions of this article, as said principal and interest become due and payable.

There shall be collected annually in the same manner and at the same time as other state revenue is collected such a sum, in addition to the ordinary revenues of the State, as shall be required to pay the principal and interest on said bonds as herein provided, and it is hereby made the duty of all officers charged by law with any duty in regard to the collections of said revenue, to do and perform each and every act which shall be necessary to collect such additional sum.

On the several dates of maturity of said principal and interest in each fiscal year, there shall be returned into the General Fund in the State Treasury, all of the money in the Veterans' Farm and Home Building Fund of 1943, not in excess of the principal of and interest on the said bonds then due and payable, except as hereinafter provided for the prior redemption of said bonds, and, in the event such money so returned on said dates of maturity being less than the said principal and interest then due and payable, then the balance remaining unpaid shall be returned into the General Fund in the State Treasury out of said Veterans' Farm and Home Building Fund of 1943 as soon thereafter as it shall become available, together with interest thereon from such dates of maturity until so returned at the same rate as borne by said bonds, compounded semiannually.

Both principal and interest of said bonds shall be paid when due upon warrants duly drawn against said appropriation from the General Fund by the Controller of the State in favor of the State Treasurer, or his duly authorized agent, and the money to be returned into the General Fund in the State Treasury pursuant to the provisions of this section shall likewise be paid as herein provided upon warrants duly drawn by the Controller. The Department of Veterans Affairs, by resolution approved by the Veterans' Finance Committee of 1943, shall direct the State Treasurer to call bonds (which are then subject to redemption) if such call is desirable and whenever funds are available to effect such redemption, the part of each issue so called to be not less than all of the bonds maturing in any one year. Notice of such redemption shall be given by the State Treasurer in the manner provided in the resolution authorizing the issuance of said bonds.

996.50. The bonds authorized to be issued under this article shall be sold by the State Treasurer to the highest bidder for cash, either at public auction or upon sealed bids as the Veterans' Finance Committee of 1943 may by resolution determine. The Treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered plus the interest which shall have accrued thereon between the date of purchaser's payment for said bonds and the last preceding interest maturity date; and the Treasurer may from time to time, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered, at such time and place as he may select. If said bonds are offered for sale upon sealed bids, then each bid shall be in writing and signed by the bidder and sealed, and shall be accompanied by the deposit of a certified check or cashier's check for five thousand dollars ($5,000), drawn on a bank or trust company authorized to transact and transacting business in the State of California, payable to the Treasurer of the State of California, such deposit not to bear interest. The deposit of each unsuccessful bidder shall be returned to him immediately upon the nonacceptance of his bid, and the deposit of the successful bidder shall immediately upon the acceptance of his bid become and be the property of the State of California and be placed in the State Treasury to the credit of the Veterans' Farm and Home Building Fund of 1943, and shall be credited to the successful purchaser upon the purchase price of the bonds bid for in case such purchase price is paid in full by him within the time mutually agreed upon between the successful bidder and the Treasurer. If the purchase price is not so paid, the successful bidder shall have no right in and to said bonds or by reason of said bid, or to the recovery of said deposit accompanying said bid, or to any allowance or credit by reason of such deposit unless it shall appear that the bonds would not be validly issued if delivered to the purchaser in the form and manner proposed. In case the purchase price is not so paid, the bonds so sold but not paid for shall be resold by the State Treasurer upon notice as provided in case of original sale.

Temporary or interim bonds, certificates, or receipts of any denomination whatever and with or without coupons attached thereto, to be signed by the State Treasurer, may be issued and delivered until the definitive bonds are executed and available for delivery. Signature of the State Treasurer may be by signature stamp.

996.51. Due notice of the time and place of sale of all bonds shall be given by said Treasurer by publication in one newspaper published in the City and County of San Francisco and also by publication in one newspaper published in the City of Sacramento and by publication in one newspaper published in the City of Los Angeles once a week during two weeks prior to such sale. In addition to the notice last above provided for, the State Treasurer may give such further notice as he may deem advisable, but the expense and cost of such additional notice shall not exceed the sum of five hundred dollars ($500) for each sale so advertised. The proceeds of the sale of such bonds and such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said Treasurer into the Veterans' Farm and Home Building Fund of 1943 and must be used exclusively in aiding veterans in the acquisition of, or payments for, farms and homes, in accordance with the provisions of this chapter; provided, that the proceeds from the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

996.52. The Department of Veterans Affairs is authorized, with approval of the Department of Finance, to invest any surplus money in the Veterans' Farm and Home Building Fund of 1943 in bonds or obligations of the United States, or of the State of California, or of the several counties or municipalities or other political subdivisions of the State of California, and to sell such bonds, or obligations, or any of them, at the governing market rates, upon approval of the Department of Finance; or the Department of Veterans Affairs may, with the approval of the Director of Finance, invest money in such fund, in interest-bearing certificates of deposit of state banks having a paid-up capital of five hundred thousand dollars ($500,000) or more; provided, the total amount of money so deposited with any one bank shall not exceed a sum equal to 50 percent of the paid-up capital of such bank; provided, however, nothing herein contained shall inhibit the depositing in banks in accordance with Chapter 4, Part 2, Division 4, Title 2 of the Government Code, of money of any of the funds subject to the control of the Department of Veterans Affairs or appropriated for its use.

Interest accruing upon the deposit of money of the Veterans' Farm and Home Building Fund of 1943 shall be paid into and credited to said fund.

996.53. Upon request of the Department of Veterans Affairs, supported by a statement of the plans and projects of said department with respect thereto, and approved by the Governor, the Veterans' Finance Committee of 1943 shall determine whether or not it is necessary or desirable to issue any bonds authorized under this article in order to carry such plans and projects into execution, and, if so, the amount of bonds then to be issued and sold. Successive issues of bonds may be authorized and sold to carry out said plans and projects progressively, and it shall not be necessary that all the bonds herein authorized to be issued shall be sold at any one time.

996.54. Whenever the Veterans' Finance Committee of 1943 shall have determined that the sale of all or any part of the bonds authorized to be issued under this article is necessary or desirable to carry such plans into execution, in whole or in part, it shall adopt a resolution to this effect. The said resolution shall authorize and direct the State Treasurer to provide for the preparation of the requisite number of suitable bonds then authorized to be sold and shall specify as to such bonds then to be sold:

1. The maximum number of each denomination or denominations, aggregate par value, and date or dates of the bonds to be then sold. The date appearing on said bonds shall be deemed to be the date of issuance for all purposes of this article, irrespective of the actual date of delivery of such bonds and the payment of the purchase price thereof. Successive issues of bonds herein authorized shall be identified by the number of the issue, or the entire authorized issue may be divided into series or divisions appropriately identified by letter or number.

2. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date of maturity, to be at annual intervals.

3. The provisions, if any, for the retirement of said bonds at any time or times prior to their maturity, the manner thereof, and the price or prices at which said bonds shall be redeemed.

4. The annual rate of interest which the bonds to be issued shall bear, to be in multiples of one-fourth of 1 percent, which rate, at the discretion of said committee, may be determined by the bidder at the time of sale of said bonds, not to exceed 5 percent payable as herein provided.

5. The provisions, if any, for the interexchange of bonds of different denominations, the issuance of new bonds of different denominations in lieu of, or in exchange for, bonds of a like aggregate principal amount but of different denominations, and the authentication of any bonds by the State Controller or by any deputy state controller.

6. The technical form and language of said bonds and of the interest coupons to be attached thereto.

In determining the date or dates of maturity of the said bonds and the amount of bonds maturing at each date of maturity, the Veterans' Finance Committee of 1943 shall be guided by the amounts and dates of maturity of the revenues estimated to accrue to the Veterans' Farm and Home Building Fund of 1943 from the transactions to be financed by each issue, and shall fix and determine said dates and amounts in such manner that, together with the dates and amounts of interest payments on the said bond issue, they shall coincide, as nearly as practicable, with the dates and amounts of such estimated revenues; provided, the bonds first to mature in each issue shall mature not later than five years and the bonds last to mature in each issue shall mature not later than 45 years from the date of issuance thereof.

The rate of interest to be borne by the bonds need not be uniform for all bonds of the same issue or series or division, and may be determined and fixed by the Veterans' Finance Committee of 1943 by resolution adopted at or after the sale of said bonds, but not exceeding in any case 5 percent per annum payable semiannually. The highest bid received on the sale of the bonds shall be determined by deducting the total amount of the premium bid (if any) from the total amount of interest which the State would be required to pay from the date of the bonds or the last preceding interest payment date, whichever is latest, to the respective maturity dates of the bonds then offered for sale at the coupon rate or rates specified in the bid, and the award shall be made on the basis of the lowest net interest cost to the State. The lowest net interest cost to the State shall be computed on a 360-day year basis. The interest coupon first payable may, if the Veterans' Finance Committee of 1943 shall so determine and specify, be payable at any time within one year after the date of issuance of said bonds.

996.55. All actual and necessary expenses of the Veterans' Finance Committee of 1943 and of the members thereof incurred in the performance of their duties arising out of the provisions of this article and expenses incurred by the State Treasurer in having said bonds prepared and in advertising their sale or their prior redemption shall be paid out of the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

Whenever the Veterans' Finance Committee of 1943 deems it advisable to obtain a legal opinion as to the validity of the bonds, prior to or after sale, from attorneys other than the Attorney General, the committee may authorize the State Treasurer or the Department of Veterans Affairs or both to obtain such a legal opinion. Payment for such legal services shall be made from the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

996.56. The Controller, the Treasurer and the Veterans' Finance Committee of 1943 shall keep full and particular account and record of all their proceedings under this article, and they shall transmit to the Governor an abstract of all such proceedings thereunder, with an annual report, to be by the Governor laid before the Legislature biennially; and all books and papers pertaining to the matter provided for in this article shall at all times be open to the inspection of any party interested, or the Governor, or the Attorney General, or a committee of either branch of the Legislature, or a joint committee of both, or any citizen of the State.

996.57. So long as any bonds authorized under this article may be outstanding, the Director of the Department of Veterans Affairs shall cause to be made at the close of each fiscal year, a survey of the financial condition of the Division of Farm and Home Purchases, together with a projection of the division's operations, such survey to be made by an independent public accountant of recognized standing. The results of such surveys and projections shall be set forth in written reports and said independent public accountant shall forward copies of said reports to the Director of the Department of Veterans Affairs, the members of the California Veterans Board, and to the members of the Veterans' Finance Committee of 1943. The Division of Farm and Home Purchases shall reimburse said independent public accountant for his services out of any funds which said division may have available on deposit with the Treasurer of the State of California.

Sec. 2. This act shall take effect upon its adoption by the people as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

Sec. 3. This act shall be submitted to the people of the State of California for their ratification at the next general election, to be held in the month of November, 1956, and all ballots at said election shall have printed thereon and in a square thereof, the words: "For the Veterans Bond Act of 1956," and the same square under said words the following in eight-point type: "This act provides for a bond issue of five hundred million dollars ($500,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes." Opposite the words "For the Veterans Bond Act of 1956," and "Against the Veterans Bond Act of 1956," there shall be left spaces in which the voters may place a cross in the manner required by law to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words, "For the Veterans Bond Act of 1956," and those voting against the said act shall do so by placing a cross opposite the words "Against the Veterans Bond Act of 1956." Provided, that where the voting of said general election is done by means of voting machines used pursuant to law in such manner as to carry out the intent of this section, such use of such voting machines and the expression of the voters' choice by means thereof, shall be deemed to comply with the provisions of this section. The Governor of this State shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

Sec. 4. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the Governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.

Sec. 5. It shall be the duty of the Secretary of State to disseminate information relative to this act in accordance with Section 1, Article XVI of the Constitution. The costs of publication shall be paid out of the Veterans' Farm and Home Building Fund of 1943.

Tahoe Items

Mrs. M. Necessary wrote a note telling of their departure from Carnelian Bay to Los Angeles, planning on coming back to the lake in the springtime.

The residence of the W. H. Schumachers has been changed from Kings Beach to Raymond, Ia., for the months ahead.

Mr. and Mrs. Victor Costa closed their place at Tahoe City, returning to Oakland for the winter.

Dr. Stuart Dingwall has closed his place at Tahoe City, going to his home at La Jolla.

SIERRA SUN ADS PAY!

SURVEY OF NEEDS FOR LAKE UTILITY WILL BE STARTED

AUBURN — Dr. Ruth Moldenhauer, county health director, said a request by the North Tahoe Public Utility District for a survey of facilities and needs within its boundaries had been referred to the state department of public health.

The utility district, which serves the area from Tahoe Vista to the Nevada state line, made the request through its president, Joe King.

A report on what facilities and developments are needed to bring the district up to standard was asked.

Dr. Moldenhauer said the Placer County Health Department is not in a position to undertake the survey so the State Department of Public Health was asked to perform the work.

The health director recalled that difficulties occurred within the utility district last summer, when sewage overflowed into the lake from a pump station, and the lake had to be posted.

Dr. Moldenhauer said problems have also occurred from septic tanks in portions of the Tahoe Vista area immediately adjoining the district.

For this reason the state health department has been asked to include a portion of Tahoe Vista in its survey.

The work is expected to begin at once. A report of the findings will be filed with the county health department when they are compiled.

SPECIAL SEAON ON QUAIL OPENS SAT.

The spceial season on mountain quail will be open October 6 through October 14 in the following specified counties: Plumas, Butte, Sierra, Alpine; that portion of Lassen south of Highways 36 and 395; those portions of Placer, Nevada and El Dorado lying east of the Sierra crest; those portions of Modera and Fresno County lying in the National Forest and most mountain portions of Tulare County in the National Forest.

Hunters are urged to check the Digest of Hunting Regulations for boundary details. The bag and possession limit is six mountain quail per day.

Lindsay Will Sponsor Road Feasibility Survey

NEVADA CITY—Companion bills authorizing feasibility surveys of all trans-Sierra routes will be presented at the next state legislature, according to Assemblyman Francis Lindsay who traversed the route advocated by the Henness Pass Highway Association from state Highway 49 to 89 along the 1860 Henness Pass Turnpike Company route through Graniteville.

Two jeeps containing the officers and guests of the association including Assemblyman Lindsay and his 11-year-old son Francis Jr., turned off Highway 49 at the Tyler road junction and drove the North Bloomfield road past the historic hydraulic Malakoff diggings.

Lindsay said he would join with State Senator Harold "Biz" Johnson in attempting to preserve such landmarks and parts of California's herittage for posterity through funds under the state parks program. He said he thought there should be a difference between pure recreation, parks and the historic state parks. Senator Johnson will present the survey bill to the senate.

ALLOCATION

SACRAMENTO (CNS)—The California Highway Commission today allocated $75,000 for improvement of the Placerville-Georgetown in El Dorado County. Funds will be used for base and surfacing on various portions of the highway. Funds will be used for base and surfacing on various portions of the highway. Work will be started immediately.

TAHOE PLUMBERS GET STATE LICENSE

SACRAMENTO (CNS) — The contractors state license board today announced it will issue a plumbing contractors license to the Valley Plumbing Company, Box 333 Tahoe City, in 20 days unless written protest is filed.

Lee R. Van Wetter and Henry O. Antons operate the establishment.

Religious Holidays Are Reason For School Recess

SACRAMENTO (CNS) — School granting of leaves of absence to districts may provide by rule the teachers for the observance of religious holiday, according to a ruling of Attorney General Edmund G. Brown.

Such leaves, the opinion said, can be granted on a non-discriminatory basis.

TRUCKEE ELEMENTARY

Kindergarten: (Teacher, Dee Osborn.) We have welcomed one little newcomer to our class—Bill Wickham, who moved to Truckee recently with his family.

At our recent PTA meeting Mrs. O. B. Swauger and Mrs. Jack Melugin graciously offered to serve as our room mothers for the coming year.

Jonathan McLane was happy to have the first nasturtium plant up in the window garden. It was closely followed by those of Carol Hart, Sandra Davis, Donnie Schuler, Michael Bellotti, Roxanne Guartney, and Monte Neugebauer.

This week the children went home proudly with the first gift for mother—a holder for her kitchen shears.

First Grade: (Teacher, Ruth Croxen.) We have been collecting toys and games to put in our "rainy day" play box. Kenny Bretthauer, Jerry Neugebauer, Eddie Anderson and Pamela Horman brought toys this week.

Beverly King brought some acorns to school this week. We read about oak trees and how to plant the acorns.

First Grade: (Teacher, Helen Camp.) We were all very sorry to learn that Bill Cardinal has a broken leg. It was broken when he fell with his bicycle and fell against a parked car.

Victor Moore, Ruth Notley, Bill Rose, Susan Schuler, Michelle Harris, Philip Risden, Diana Daly, Judy Ingalls and Chris Kumle are writing their names very well.

Second Grade: (Teacher, Helen Trask.) In reading we have been studying phonics as one of our word attack skills, as well as reading from our state texts.

Those whose words were correct in the final test in spelling on Friday were Bruce King, Donny Whiteneck, Gail Englehart, Susie Olano, Jack Melugin, Raymond Fitzsimmons, Lennie Vind, Timothy McLane, Kathy Braasch, Cathy Braley, Charles Collier and Gary Waters. Those having but one mistake were Frances Barrett, John Collier, Nicky Kenyon, Ronnie Walker and Karen Hedlund.

Third Grade: (Teacher, Arlene Roth.) The third grade has spent the first month reviewing things we learned last year.

Group one in reading made up a story about Jimmy McCurry's Frog. Interesting pictures illustrating the story were made by Karen Walker, Heidi Euer, Kenny Hensley, Gilbert Hernandez, John Goldsmith, Courtney Lewis and Eileen Olson.

Fourth Grade :(Teacher, John Stever.) The fourth grade athletic committee has been increased in number so that now six persons, David Fordham, Danny Garcia Steele, Wilana Curran, Mike Ingalls, and Steve Rhoades, are responsible for care of the equipment.

Distribution of milk was the responsibility of Kenny Taylor, Dave Fordham, and Danny Garcia.

The lunch cards were distributed by Gloria Jean Boyer and David Sorani.

Fifth Grade (Teacher, Olia Tiffee.) The fifth grade has been taking S.R.A. tests this week.

John Arterburn transferred to Martinez, Calif. We were sorry to have him leave.

Sixth Grade: (Teacher, Ruth Roberson.) Wayne Arterburn and John Hunter left school this week. Both were good fellows and we will miss them.

Jerry Kirby and Pamela Rose handed in perfect spelling papers for the trial test given on Wednesday.

TAHOE LAKE SCHOOL

First Grade: (Teacher, Geraldine Bean.) All the Tahoe Lake first graders proudly learned to copy their names with perfect spacing this week. The five best papers were turned in by Diana Northcliff, Dwight Lang, Ruth Ann Dunn, Dianne McBride, and Tabor Griswold.

First and Second Grades: (Teacher, Mrs. Beavers.) This week in the first grade we matched color names and pasted color squares next to them. Neatest work was done by Rod Farley, Rocky Riggs, Janet Jorgensen, Tommy Carnell, and Anna Marie Connors.

In the second grade we are learning to head our writing papers correctly, use good writing position and keep our letters in the lines. Some of our neatest printres are: Tommy Barr, Dick Pomin, Vicki Jones, Mary Lou Sartor, Rosemary Wray, Jimmy Bechdolt, Kim Marvin, Armen Abrahamian, and Marty Spitsen.

Third and Fourth Grades: (Teacher, Lillian Farr.) During the social studies program on early California Indians, the third grade made imitation deer hides from crumpled paper colored with brown crayon.

The fourth grade is traveling with Cortez through Mexico and picking up ways of speech such as "Buenas Noches," used with a Tahoe accent upon leaving the classroom at bus time.

Fifth and Sixth Grades: (Teacher, Mrs. Helen Rauscher.) Time lines have been studied in the fifth and sixth grade through the medium of pictures depicting the early exploration period.

Spell downs were held in the fifth and sixth grade. Suzanne Sprague topped for the sixth grade and Sandra Riggs and Pamela Kehlet tied with only one mis-spelled for the fifth grade.

DONNER TRAIL SCHOOL

A potluck dinner was held at Donner Trail School, Thursday, September 27th. It was given in order that the parents of the school children might have an opportunity to become better acquainted with the new teachers, Miss Kessey and Mr. Bailey.

After the dinner a meeting was held. It was decided to reactivate the Community Club, with the school to become the center of club and other social activities.

In Mr. Bailey's class, work is being done on a mural covering the main events in the story of the Aztec Civilization. A narration has been written by Carl Shusky and Bruce Bailey which will explain the meaning of the mural pictures. This will be recorded on wire by the students.

Those who have been working on this social studies project are: Candy Board, Carl Shusky, Albert Eberhardt, Leonard Watts, Tommy Tirkeldson, Bruce Bailey, David Woodard and Ross Merica.

KINGS BEACH SCHOOL

Kindergarten and First Grade: (Teacher, Elrose Knudsen). A doll buggy, dolls, floor carpets, and cupboards were among the toys that Carolee Corbin gave our class.

Patty Bervid is no longer in our room as her family moved to Los Angeles.

Kathy Critchley treated the class with life savers. Kathy also brought a bouquet of flowers for them to enjoy.

Steve Mandeville brought a collection of dead crayfish.

Second and Third Grade: (Teacher, Katherine Wing.) Our class wrote letters to Bruce Draney, who is in the Shriner's Children Hospital in San Francisco. According to Mrs. Draney, Bruce will be home in a couple of weeks.

Miss Foresta McGouran, curriculum coordinator from the county superintendent's office, visited us Monday.

Cherryl Smith and Wendy Howell brought flowers for our room this week.

Karen Critchley is our flower monitor.

Susan Clackett brought two books to share with us.

Chris Althof has a new ukelele, but he doesn't know how to play it yet.

Martha De Gregorio is spending some time at home; so she will be in excellent health for her coming tonsilectomy.

Third and Fourth Grades: (Teacher, Dorothy Corbin.) Mrs. Corbin's class is studying about Lake Tahoe and the community of Kings Beach. Then we are going on to the study of California by studying the Donner Trails.

The children may bring into the classroom early California things.

We had several people make 100 in spelling on trial test day.

Fifth and Sixth Grades: (Teacher, Mr. Bisio.) The tropical fish are doing very well. Most all of the children can identify the fish by their names.

Larry Free is still out of school due to an automobile accident during the summer. We hope that Larry will be back with us soon.

Karen and Linda Critchley are leaving for a short stay with friends. They will be back soon.

COOK RESIGNS

Mrs. Jayne Glass has resigned her position as cook at Donner Trail School and has been replaced by Mrs. Rowena Rheem of Soda Springs.

READ ALL THE ADS!

School children visit "Telezonia". Lots of grade schools are now showing pupils a color motion picture about a fabulous land of puppets. It's called "Adventure in Telezonia". The movie's part of a special kit. It was worked out by telephone people at the request of teachers and with their help. It's loaned to schools to show children how to use the phone correctly. This is important. For good telephone service depends a lot on how you and others use your phones. So the good telephone habits "Telezonia" is teaching children help make service better for everyone. **The men and women of Pacific Telephone work to make your telephone more useful every day.**

NORTH TAHOE

By JUDGE HARRY CHARRISON

Big Meeting

The next meeting of the Business Men's Association will be held on October 10 at 8 p.m. with dinner served at the Crystal Bay Club. You are welcome to attend and maybe you would like to join. It's really worth while, says Maxine Polzin, the popular secretary.

Visitors

Grandmother May Watson and her daughter, Mabel Bailey, formerly of May's Cottages in Kings Beach were visitors with Bob and Pearl Moore for a couple of weeks. Mrs. Bailey is Pearl's mother and are presently living in Santa Maria.

Visiting

Young Bill Faulkner, brother of Sam, Lita, Icy, and Gene spent a vacation here. Bill has his wife and two children with him from Santa Ana where Bill is a city fireman. This is his first trip here for around four years. They live pretty close to his mother and step dad in Santa Ana. Sure was nice to see him and his family.

Barking Up Wrong Tree

This is the time of the year when most of the stayers-in collect bark to help out during the winter. Of course we all know what wonderful fires one make with it. Some people are not too particular where they get it. A few days ago two of our wonderful citizens, saw a pile all ready to pick up, but it belonged to someone else, and the same citizens were caught in the act with a load already to go. So, instead of taking the load home, in order to keep on the right side of the person and the law, they had to deliver it to the owners home. How far they had to take it they won't tell, but they both had red faces, I'll bet.

Lions

Crystal Bay Club was the scene of a big meeting and banquet of the Lake Tahoe Lions, and a big delegation from the Arcade Lions Club of Sacramento, about a hundred members and their wives and guests attended. A delightful dinner was served after which, entertainment with Enole DeGregorio at the organ, who played delightfully, and the gathering joined in community singing. Rev. Langguth gave the invocation, Ray Plunkett in behalf of Johnny Rayburn, supplied cigars and wine. Bob Carr, district governor from McGill, Nev., was present and gave an enlightening talk and also inducted a new Cub into the club in the person of Don Bailey of Kings Beach. Dave Ashton presided.

Visitors

John Raffetto and Sidney Holt, bondsmen of Auburn, were visitors her last week, making a social and business visit. One of thethings was to look over the Earl Noel house, for which Holt holds on a bond, he tells us it will be put up for auction on the steps of the courthouse in Auburn early in December. Noel has never been located, and his three girls are still wards of the court.

Beautiful

Sunday morning, and incidently the first day back on the standard time. I personally don't like it. What a gorgeous morning now at 9 a.m. It is a wonderful 80 degrees and as clear as crystal. The lake is like glass. Lots of golfers out, even Pete Bennett.

Old Residents

Had a visit from Russel B. and Mrs. Farley of Sacramento. Russ is with the state alcoholic beverage control and was at Kings Beach for quite some time until, being shifted to Sacramento. They say Tahoe is still their favorite playground. They are on a short vacation, and will journey to Los Angeles before returning to duty.

Anniversary

Carl and Mrs. Bechdolt, Sr., celebrated their fifth wedding anniversary during the past week, and in style too, according to Yvonne. The Mapes Hotel was the scene of the celebration. It was an evening to remember for both of them. We wish to join in congratulating them on the momentous occasion.

Going Out

Sully Sullivan, bartender at the Tahoe Inn, quite a popular character, has left for San Francisco.

Progress

Sure nice to hear there is a trailer park to go up on the Truckee-Kings Beach shortcut. That is just a start, and now it looks as though we are sure of the airfield on the road. Nothing like getting on the ground floor.

The open house at the beautiful home of Fred and Mrs. Rockholm in Kings Beach right on the lake front was a wonderful affair. It is one of the best appointed homes we have seen, and built of cement blocks.

THANKS, FRIENDS

I have disposed of my interests in the Pastime Club in Truckee and want to express my sincere appreciation for the patronage I have enjoyed and trust that you will extend to my successors this same fine spirit of cooperation and good will.

For the many beautiful gifts and expressions of good wishes from my friends on the eve of my departure from business, I also want to express my most sincere thanks.

You have all been wonderful and I shall not forget your kindnesses.

In its weight class... Today's only

4-wheel drive truck...

designed and engineered completely for 4-wheel drive off-the-road use!

Your purchase of a 4-wheel drive truck involves an important investment. That's why you should get all the facts before you buy.

When you get the facts, *only* one 4-wheel drive truck stands out—the rugged 'Jeep' Truck. And it's no wonder why! It's the *only* 4-wheel drive truck in its weight class originally designed and engineered completely for 4-wheel drive, off-the-road use—the *only* one time-tested and performance-proved in millions of miles of transport service. Yet, it shifts easily into conventional 2-wheel drive for highway travel at top legal speeds. It's not a conversion unit, not a modified 2-wheel drive truck! It's tested, proven, certified and *unique* in its weight class. No other 4-wheel drive truck even touches its performance-proved all-around utility.

Add to all this the 'Jeep' Truck's functional design, long life, low maintenance cost and high re-sale value and you see why it's your *one* best 4-wheel drive truck buy!

STRICTLY STRICKLAND

By Bill Strickland

The Donner Trail elementary school hosted a potluck dinner last week which served as an opportunity for the mountain people to officially meet. Bob Bailey and Miss Jeanne Kessey. Also present from the school district were Mr. and Mrs. John Corbin and Mr. and Mrs. Lynn Kishbaugh. Notices of the dinner were sent out through the school children; so, as a result, a lot of our very active and interested people were not aware of the dinner. It was not intended as a parents' get-together exclusively, and all concerned expressed their regrets that the rest of the mountain residents were not duly notified. An informal discussion was held regarding school and local activity. A Community Club meeting will be held on Thursday, October 18, at 8 p.m. at the school. So, all of you people who missed the last get-together, make a point of attending this coming affair. Lola Schull volunteered to supply the cakes for it, and having known Lola and of her baking prowess for a long time, the refreshment alone will be worth the visit. Edvi Aro and Max Williamson will be on the coffee detail and they'll probably wind up with an urn of excellent coffee. Mrs. Heckle and Mrs. Bartucco were present, and made themselves known to the mountain locals. They are the new owners and operators of Wofford's Motel. Welcome to our mountain! Henry Lane, who now owns and operates in Kingvale Lodge, is als our new school bus driver. Bert Bacon, who was scheduled as the driver, is on a trip to England with Mrs. Bacon. That would make a pretty tough commute if he'd tried to keep it. I might add here also that arrangements will be made for a Halloween party at this next Community Club meeting. So, be sure you set aside that date, and attend, will you?

Besides those already mentioned, others attending were Mr. and Mrs. Albert Eberhardt, Mrs. Mary Hensley, Mrs. Pat Woodard, Mr. and Mrs. Bud Zorich, Mr. and Mrs. Sherman Reams, Mrs. Bob Mason, Mrs. Max Williamson, Mrs. Edvi Aro, Mrs. Bill Strickland, Mrs. Bill Cardwell, Mrs. Brad Board, Mr. and Mrs. Louie Carrasco, Mrs. Jane Glass, Mrs. Bob Bailey and Mrs. Dave Hansen. Several others were present that I met for the first time, but since I didn't write their names down, as I should have, I can't for the life of me remember them.

—

Nine Donner Summit Post, No. 811, Legionnaires and wives just returned from a First Area conclave held in Post No. 795 Legion Hall at Bijou, Lake Tahoe. Bert and Dottie Barber, Elmo and Jeanne Moriano and Bill Strickland all went over from the summit Saturday afternoon. We were met over there by Tony and Eve Donadio from Tahoe City and by Bill Rutherford and Chuck Reynolds who drove up "50"—or, better known over here as Highway "39½". This area meeting was attended by more Department of California officials than any meeting I've ever attended outside of state conventions. Leo Crawford, state commander, Joe Farber, past junior state commander, Homer Cooke, our own 6th district commander, and Ernie Fine, 6th district first vice commander were just a few of those wearing the white legion caps of the top brass. Al Chamie brought out the need for all Legionnaires to work for the passage of Proposition 1 on this November's ballot. That one, of course, pertains to the Cal-Vet farm and home loan bonds. It was very interesting, to me at least, to learn that over $635,000,000 in bond issues have been voted by the people of California. About $300,000,000 of these have been for veteran benefits dating back to 1919, and most of them have been sponsored and successfully achieved, because of the untiring efforts of the members of the American Legion. These bonds are retired on a self-sustaining, self liquidating basis, at not one cent of expense to the taxpayers of California. This program is California's way of saying "thanks to her many vets," who gave from 9 days to five or six or even seven years of their lives to help preserve your freedom and wonderful way of life. If California had voted a cash bonus to her vets as have practically every other state in the union, it would have averaged around $298 per man for well over a million California veterans, and it would have cost our taxpayers $312,800,000 plus interest, or around a half a billion dollars. The Cal-Vet plan, I reiterate, is self sustaining and requires no support from taxes. If you were in the veterans place, wouldn't you prefer the opportunity of purchasing a new home or farm to a bonus of $298? And, incidentally, you, as the receipient of that $298 bonus would be paying your own share of it's tax support. Vote "yes" on proposition number one, and ask your friends to do likewise, will you?

SAFETY MEETING IN CAPITOL THIS WEEK

SACRAMENTO (CNS)—Another traffic safety conference, the seventh annual event of its kinds, is slated for Sacramento October 3 to 5, inclusive.

A feature of the conference will be an address by David O. Selznick, Hollywood motion picture producer.

Effective methods of cutting down traffic slaughter on the highways will be discussed.

Maritime College Grows State Report Reveals

SACRAMENTO (CNS)—An increase of 9680 students, or 18 percent, in attendance at the state colleges and California Maritime Academy, was announced today by Roy E. Simpson, state superintendent of public instruction.

Simpson said 63,247 students are enrolled, compared to 53,567 this time last year.

LOCAL FINES SENT TO COUNTY COFFER

Fosten Wilson, judge of the justice court of Truckee sent in for September a total of $3,130.25, collected during the past month.

Traffic fines accounted for $2,732.50, $166 in drivers' training tax, criminal fines $215 and civil fees amounted to $16.75.

SIERRA SUN ADS PAY!

STATEMENT REQUIRED BY THE ACT OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933, AND JULY 2, 1946 (Title 39, United States Code, Section 233) SHOWING THE OWNERSHIP, MANAGEMENT, AND CIRCULATION OF **SIERRA SUN & TRUCKEE REPUBLICAN** published weekly at Truckee, California, for September 30, 1956.

1. The names and address of the publisher, editor, managing editor, and business managers are:

Why the Oil Conservation Act will

KEEP GAS PRICES DOWN

● Why does **Oil Conservation** mean gasoline price protection for motorists?

● Why will Proposition 4, the **Oil Conservation Act,** help keep gas prices down?

—Because conservation of California's irreplaceable oil resources means stopping waste in the production of oil. ***It means getting every last drop of oil from the ground that it is possible to get by modern, scientific recovery methods.***

—Because Proposition 4—by providing urgently needed Oil Conservation legislation—***will double the production of oil from California fields.***

—Because a plentiful supply of low-cost California oil is the ***best possible guarantee against drastic increases in the service-station price of gas.***

IF YOU DRIVE A CAR, you are vitally concerned over the price of gasoline.

There are **three pressures** operating today in the direction of increased prices of gasoline. They are:

1. Greater expenditures by both the Federal and State governments for improved highways and freeways—**financed by higher taxes on every gallon of gas you buy.**

2. The Suez Canal crisis and Middle East unrest—foreshadowing demands on American oil to fill Western European needs.

3. The constantly increasing horsepower of automobile motors—requiring gasoline with higher and higher octane content.

The great, pocket-book importance of Proposition 4 to motorists is that it will provide an important counter-pressure to these rising price trends—by greatly increasing the supply of low-cost California crude oil.

TODAY, CALIFORNIA IS AN "OIL DEFICIT" STATE—**we use** more oil and gasoline than we **produce.**

Yet, today, **only half the oil that can be recovered is being recovered**—the other half remains in the ground, tragically wasted, for want of proper Oil Conservation procedures.

Proposition 4 provides the legal framework to make it possible to recover that presently wasted half of our producible oil resources. It will replace scarcity with plenty—**adding a whopping 4 billion barrels to our known, recoverable oil reserves.**

Best of all, the additional oil that will be produced from existing fields will be relatively inexpensive oil—because huge discovery, drilling and investment costs are not needed to produce it.

By providing a new, important source of low-cost California crude oil, Proposition 4 will help keep gasoline prices down!

● **THESE COMPANIES SERVE THE MOTORIST:** The major, integrated oil companies (with only one exception) — ***the companies that not only produce oil, but refine it and distribute it to the public—support Proposition 4.*** Their interest is in volume production and distribution of gasoline at reasonable prices.

Have you read "The Case of California's Disappearing Oil"? Ask for it at your service station or news stand.

● **THESE COMPANIES DO NOT SERVE THE MOTORIST:** On the other hand, ***the interest of the large-scale, multi-million dollar "independents" who are opposed to Proposition 4 is in higher prices.*** They are simply producers of crude oil and do not serve the motoring public. ***They are currently agitating for higher prices for crude oil.***

● THE MOTORIST'S INTEREST, THE PUBLIC INTEREST, ***YOUR*** INTEREST — CLEARLY IS IN BOOSTING SUPPLIES OF LOW-COST CALIFORNIA OIL, AND KEEPING GASOLINE PRICES DOWN, BY ENACTMENT OF PROPOSITION 4.

Vote YES *on Proposition* 4

"If ever a measure for public decision by ballot could be called a motorists' measure, it is Proposition 4."—The Kingsburg Recorder.

Cleo Klein On Highway U. S. 40
Truckee, California

Standards Listed For University Exams In Preparing Graduates

Every year the University of California establishes a list of California high schools from which graduates will be admitted to the university without examination—Tahoe-Truckee High School is on this list, Principal William Schuitto announced.

Schools on this list are considered by the board to have accredited college preparatory programs, and graduates of these schools will be admitted to the university on the basis of their records of satisfactory completion of prescribed courses with an average grade of "B" or better.

In order to receive accreditation to be included on the university's list the following standards must offer a college preparatory curriculum which includes the subjects required for admission to the university.

(a) 3 semesters of U. S. history and civics
(b) 6 semesters of English
(c) 4 semesters in elementary algebra and physics
(d) 2 semesters in either chemistry or physics
(e) 4 semesters in the same foreign language
(f) 2 or 4 semesters in third or fourth year mathematics or in the other science of the two already mentioned, or in the third year of foreign language, or in two years of a second foreign language.

II. Graduates of the school must have made satisfactory scholarship records in their freshman year at institutions of higher learning as shown by college transcripts of records.

"We, at the high school, feel that this information will be of value to many of our parents who are planning college careers with their children," Schuitto said. "Whether the University of California is the school in question we recommend this type of program for all students who plan to further their high school education by attending a state college, a private university or a public university."

Blind Students Eligible For Aid In Colleges

SACRAMENTO (CNS)—Attorney General Edmund G. Brown ruled that blind students attending junior college in California are eligible for state aid.

Brown said state legislation intended that blind persons be helped in attaining a higher education, and that junior colleges, although not state institutions, are a means toward obtaining college degrees. cott, of Berkeley, requested the opinion.

Solicitors May Make Registration Appeal

SACRAMENTO (CNS)—It's perfectly legal for a solicitor to go from door to door seeking registrations for voting, Attorney General Edmund G. Brown ruled in an opinion requested by Assemblyman Carlos Bee, Hayward.

Election boards, the attorney general said, may provide for registration of voters by this method as the result of an interpretation of the elections code, as there is no specific law covering the case.

The attorney general, however, said the statute is intended "to render it possible for electors to register with as little inconvenience as possible."

4.3 Per Cent Increase In California Traffic Count

SACRAMENTO (CNS) — An increase of 4.3 per cent in the traffic count for California August of this year, over the corresponding month in 1955, was reported here today by the state department of public works. Based on a five-year average, August counts normally show an increase of 5.1 per cent over July.

For the first eight months of 1956, the monthly counts show an increase of 7.6 per cent over the same period of 1955.

Comparing August of 1956 with August 1955, passenger vehicle show an incraese of 3.4 per cent and freight vehicles show an increase of 9.1 per cent. Freight vehicles represented 17.9 per cent of the total weekday traffic.

The herb fennel figures in Creek mythology, according to which knowledge was transmitted to humanity from the summit of Mount Olympus as a coal of fire tied to a stalk of fennel.

FREEWAY FOR FORTY SEEN IN FEW YEARS

AUBURN—State Public Works Director Durkee predicted U. S. 40 wil be a freeway from San Francisco to the Nevada border within a few years.

Durkee reviewed progress in freeway development of the 211-mile highway in California at a progress pageant highlighting the last day of the 20th Agricultural District's four-day fair.

Also on the program was Lieut-Gov. Powers, who discussed the 1960 Winter Olympics, and Roy Nicholson, former mayor, who predicted skiing activity in the county will increase tenfold because of the coming Olympic event.

Employment Reaches All-Time High In State

SACRAMENTO (CNS) — State officials reported that employment in California during July reached an all-time high, and that unemployment fell "substantially below" that of a year ago.

Ernest B. Webb, director of the department of industrial relations, announced that employment for the month totaled 5,399,000 workers, an increase of 228,000 over July of last year.

H. W. Stewart, director of the department of employment, said unemployment was 18,000 under what it was a year ago, although it increased by about 5,000 over the June unemployment total. July unemployment totaled 154,000.

Webb said manufacturing employment increased by 14,000 workers during July, despite the steel strike.

San Francisco Bar Pilots, whose members guide vessels through the Golden Gate, is the oldest maritime organization on the Pacific Coast.

TAHOE NOTES

(Continued from Page 1)

who were Mesdames Robert Beekman, James Brehler, Leonard Bury, Frank Daft, Harold Fair, Walter Gehlert, Howard Guth, James Martin, Kendall, Marvin, Dennis Sach and Milton Shontz.

Attend School

John Reed of the Tahoe Fish Hatchery and his new wife, Shirley Jean, left this week for Strawberry where John will attend school for game wardens there. Max Kruger also will attend there. These changes happened quite rapidly this last week.

Hunting Visitor

Mr. and Mrs. Ward Knapp of Lake Forest had a visitor up for the opening of deer season, Mrs. Knapp's son, Rodney Yeakle of Sacramento. Had no luck but lots of fun. Another son, Dick Yeakle, came up from the bay area this weekend to close their summer cottage here.

Leaves Lake

Mrs. Vivian Franklin has also closed her Lake Forest home for the winter and left for the southern part of the state.

Rotary Club

President Steve Korich presided over Rotary at their regular meeting last Tuesday night at the Tahoe Inn. There were 26 members present and five visitors. A movie was shown depicting fishing in Wyoming. At the next meeting a committee will be appointed to make plans for their annual Halloween party.

Draws Report

Attorney Randolph De Wande of Sacramento is in the process of drawing up a preliminary report on the proposed annextion of the northeast section of land lying between Tahoe City and the State Park. More about this will be announced after the report is ready.

Main Finished

The 400 foot water main into the Bunker Tract is finished now and has been accepted by the Placer County authorities. The road will be graded and oiled as soon as possible.

Road Ready

Placer County has also completed its work on the Squaw Valley road, and barring excessive rains, entry into the valley should be far more pleasant than it was last year. Work seems to be well under way on the lodge there.

In For Winter

Mr. and Mrs. Harry Weigandt who spent the summer at Tahoe Park where Harry was butcher at Sturgis' store will spend their first winter in snow country here. Harry will be butcher at the Village Store for three days a week. They are looking forward to the winter and we hope they will enjoy it.

Celebrate Hunt

Mrs. Bob Pomin celebrated the return of her husband's hunting party with a deer liver feast at their home in Tahoe City. The six men had got three deer plus a backache or two. Guests at the feast were the hunters and their wives. Besides Bob and Vi, there were Carl and Elsie Bechdolt, Bill and Bernie Bechdolt, Jay and Beccy Shontz, Martin and Barbara Spitsen and Pete and Pat Vanni.

Up For Visit

Duane Pomin was home for overnight from Sacramento State this weekend and will be home for two nights next. College girls are almost as bad as little boys with new bikes. You hardly see them at meal time.

Golf Tourney

Sunday at the golf course the second half of the Grass Valley-Tahoe City tournament was played off. The host club won here at home by a score of 33-12. (They had lost down at Grass Valley in April.) Seventy-four men and 22 women took part in the tourney. Local men making excellent scores were: Frank Gaiennine and Carl Bechdolt, Jr., playing Fred Conway and Bud Dovey; Bill Hunter and Tony Donadio vs. Bill Lynch and Charles Strohm, Sr., Bill Conners and Bill Bechdolt vs. Charles Strohm, Jr. and Rod Bost; and Parky Bechdolt and Marshall Ruhkala vs. C. Carvath and C. Schiffer. Grass Valley was a little short of women players so Beulah Carnell and Nadine Neugebauer did yoeman (or yoewomen) service for Tahoe City Club by joining the Grass Valley women to make up enough to play.

To Hollywood

Mr. and Mrs. Max Bretzfelder of Tahoe Park leave this week for a visit to Mrs. Bretzfelder's mother in Hollywood. They will return in November "the day before election," says Mrs. Bretzfelder. "We could vote by absentee ballot but we prefer to be at home. As usual, they will spend the winter here.

Operation

Mrs. William Zang is convalescing at home after a foot operation at the Reno hospital. We hope she will be on her feet soon.

Back From Oregon

Bob Snyder and his mother, Mrs. A. A. Snyder have just returned from a rather hurried trip to Ashland, Ore., where William Brown, Mrs. Snyder's bother had suffered a heart attack. Brown is improving so the Snyders were able to ocme home.

To Hospital

Della Goss entered the Tahoe Forest Hospital Friday with pneumonia. We have not been able to find out how she is at the moment but are hoping she is on the mend.

To Lodi

Mr. and Mrs. Bill Hunter left Monday to take their daughter, Mary Ellen, to Lodi. They will return and will have an announcement soon as to what day or days they will not keep their Bacchi's Inn open.

WRECK VICTIMS

Mr. and Mrs. James Davis of Sacramento were brought to the Tahoe Forest Hospital Sunday after their car was involved in a collision near Rainbow Tavern. Neither was seriously hurt.

Out Of Army—

Marvin Parkhurst who has been in the U. S. Army at Yuma, Ariz., has received his discharge from the service and is visiting at the home of his mother, Mrs. Mary Parkhurst.

Tarzan

by EDGAR RICE BURROUGHS

TARZAN SAVED THE LIVES OF TWO TRAVELLERS--AND WAS REWARDED WITH THE PROSPECT OF HEARING A STRANGE AND INTRIGUING STORY.

"I HAD A BROTHER," WALTER KEYS BEGAN, "WHO LIVED WITH HIS WIFE AND CHILDREN ON A FARM OUTSIDE NAIROBI--"

"NOW--PERHAPS YOU'VE HEARD OF A NATIVE TERRORIST SOCIETY THAT HAS BEEN RAIDING AND KILLING WHITE MEN?"

TARZAN NODDED SADLY. "A BLOODTHIRSTY GROUP THAT HAS SPREAD THROUGHOUT A HUNDRED TRIBES. THEY ORGANIZED YEARS AGO--"

DICK VANBUREN JOHN CELARDO

WHO INDEED? IN AN AREA SWARMING WITH TERRORISTS WHOSE SOLE AIM WAS TO FIND WHITE MEN--AND KILL!

"EXACTLY!" KEYS EXCLAIMED. "AND THAT WAS WHEN MY BROTHER'S FAMILY WAS MASSACRED--ALL EXCEPT KATHY, HIS YOUNGEST DAUGHTER!" JOE RICE SCOFFED. "WHO COULD SURVIVE AROUND HERE?"
